The Office of Child Care issues a consumer education pamphlet (A Parent's Guide to Regulated Child Care) which provides information about child care that will help you make the right choice for your child. It explains what regulated child care is, why it is important to choose regulated care, and how to find the child care program that best suits your needs. The pamphlet also informs you about your rights and responsibilities as a child care consumer. It is available at http://www.marylandpublicschools.org/MSDE/divisions/child_care/licensing_branch/parent_guide
